

Dimitri Roudine: A Novel (Classic Reprint)

It was a quiet summer morning. The sun was already high in the cloudless heavens, but the dew was still glistening in the fields. A fragrant breeze was blowing from the scarcely awakened valleys ;and in the damp and silent forest the birds were singing their morning song. At the top of a hill covered with growing rye, was to be seen a small village. Walking towards this village, on a narrow side path, was a young woman in a white musliu dress a round straw hat on her head, and with a sunshade in her hand. A little page, dressed as aC ossack, was following her a few paces behind. She advanced without haste, and as if she were enjoying her walk.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
